New Library System for Schools

I have been invited to be the Primary school representative for NSW Principals on the Project Control Board that is currently looking at the development of a new library system for schools in NSW. The first meeting is in Sydney on Thursday afternoon so it is exciting to be part of such an important group looking at catering for information research for the future for students across NSW.

Cross Country

Well done to the students who represented Budgewoi Public School at the Zone cross country at Wyong last Friday. All of our students should be very proud of their achievements. We had some excellent results. Four of our students have made it through to represent Wallarah Zone at the Sydney North Cross Country carnival. Emma was 1st in the 8/9 girls, Zac 2nd and Cody 6th in the 10 yrs boys and Brooklyn 1st in the 12/13 girls. Fantastic effort kids! We are proud of all of you who ran at the cross country.

Horizons Family Service

Louisa from Horizons will be available at school 4 June and 11 June (all Wednesdays) from 2pm for a coffee and chat if you wish to access services. The Horizons service can offer support with available services for counselling, organising budgets, health, housing, child support/care, legal services and Centrelink. These meetings are strictly confidential.

Netball Gala day

Last Thursday, our school Netball team participated in the Wyong District Gala Day at Baker Park. The girls played extremely well and worked well as a team. Budgewoi played Gorokan in the 1st game and won 29 – 4. We won the 2nd game against Woongarrah 13 – 7 but we were defeated in our 3rd game by Blue Haven 17 -10. Thank you to Danielle who volunteered to umpire for the day. A huge thank you to the supportive parents who encouraged the girls and assisted with transport on the day.

Fruit juice drinks and cordials can have as much sugar as soft drink

Read labels of ‘fruit juice drinks’ carefully as they can be high in sugars. A 375 ml can of orange soft drink has 11 teaspoons of sugar. A 250ml box of ‘fruit juice drink’ has 7 teaspoons of sugar. A 250ml glass of fruit cordial has 5 1/2 teaspoons of sugar. 100 per cent fruit juice is preferable to soft drink as it contains more nutrients, but try not to drink more than one glass (250ml) per day as even ‘no added sugar’ fruit juice already contains sugar from the fruit itself (fructose).
