School News
News from 2J
This term our theme is “Getting Along”. It is about people we can trust to help keep us safe. We have been looking at roles and responsibilities of people who meet our needs and wants. In Drug Education our class read a story titled Dr Gemma. The main character wants to be a doctor when she grows up. We were asked to write about what we would like to be when we grow up. Here are some of our responses.

When I grow up I want to be a football player. I want to play for the Sydney Roosters. I would like to wear a red, white and blue shirt with the number one on the back. I hope to be big and strong.
Brayden

When I grow up I want to be a pilot. I like the black uniform. You get to wear a white shirt. A pilot gets to fly planes. Planes have wings so they will not crash.
Kade

When I grow up I want to be a builder because I could build houses and apartments. I would be good at it. I would be helpful. It would be fun to drive a big truck. I like their uniform. They wear a yellow hat and an orange vest.
Jackson

When I grow up I want to be a vet. I want to help pets. If a pet couldn’t walk I would help it. If a pet had a baby I would help it. A pet can’t die. It would be sad.
Rebekah

SRC News

Next Week on Tuesday 17th June students from Budgewoi will have the opportunity to donate to the Give Me 5 For Kids Money Snake. Sarah and Paddy from 2GO radio will be visiting the school and meeting the students. Please start saving any spare change so that students can place their coins on the Money Snake. All money raised will go directly to helping children’s services at Gosford and Wyong hospitals.

Office News

The office supplies underwear for children who have toileting accidents. At the moment we are getting very low on girls’ underwear. We have no small sizes at all. We would appreciate if the underwear that has been borrowed was washed and returned or if anyone has any clean underwear at home that you no longer require and are able to donate to the school. Thank you.

Do you know Chad or Jay Mashman?

A lady has purchased a house in the Budgewoi area and has found old photos with the names Chad and Jay Mashman who finished Year 6 in 1988 as well as some other items in the house. If you know of these people please let them know to contact our office for the lady’s phone number.

A frustrated parent has asked us to request that all parents check their uniform items to make sure they are their child’s as she has lost quite a few items. If your child has an item of uniform that does not belong to them please return it to our office. We return all items to class that are labelled with the child’s name.

 Did you Know…

600ml of soft drink contains 13 teaspoons of sugar!

Sports drinks are also high in sugar and are very acidic. This can cause decay of children’s teeth.

Although fruit juices contain vitamins and minerals, they can contain as much sugar and acid as sports and soft drinks.

Water is the best drink for everyone! Keep a jug in the fridge and carry a water bottle.
