Work, Health and Safety
I would like to advise parents that we are currently in a state of change with regard to Individual Health Care Plans. The latest information suggests that schools across the state will be upgrading and strengthening their current procedures including providing information about health care needs on a new form. One area which is a particular focus in the new guidelines is the need for an Action Plan about the child’s treatment from your Doctor. At BPS we have been proactive with regard to our Health Care Plans and many parents have already been contacted. Please be aware that the care and safety of our students is always our first priority. We will follow guidelines closely and keep you informed of future changes as they happen. Meanwhile if your child has health care needs which may require us to administer any form of medication, please ensure we have the appropriate action plans (eg an Asthma Plan, prescribed medication plan). Please contact us should you have any queries or concerns.

David Hall- Induction to the Hall of Fame
David Hall is a former Budgewoi PS student and on Monday 20th July 2015 he was inducted into the International Tennis Hall of Fame. When attending BPS, David received the Doyle Athletic Award in recognition of his sporting achievements in both 1980 and 1981. As an adult, he was ranked number 1 in the world in both singles and doubles in wheelchair tennis and also won every major title in the sport.

David is quoted as saying, ‘I never dreamed I could be as successful as I was. I had goals and I worked as hard as I could to reach them.’”

The BPS community sends congratulations to David Hall on this most significant achievement.

High School Invitation
Education Week 2015 – Celebrating Local Heroes Northlakes High School Open Evening. We would like to invite the community into our school on Tuesday 28th July from 4:30 till 5:30pm. Come along to the hall and see our displays from each faculty. Meet some of our farmyard friends and take a tour of our school. We would love to see you then!

Stage 3 Camp
This Wednesday our Stage 3 students are off to camp. Students have been given their checklist of items which they need to bring. If you need further clarification on any of the items, please see Mrs Rich.

Any students requiring medication (including Asthma puffer) whilst on camp will need to see Mrs Rich on Wednesday morning to sign their child’s Health Care Plan and hand over prescribed medication.

Students need to be dropped off to school at normal time on Wednesday morning to have names marked off.

Students will return on Friday and can be picked up from 2pm onwards. Please be aware normal sign out procedures will apply.

Stage 3 Discovery Day
We are still waiting on some permission notes for our Year 5 and Year 6 Discovery Day. If you have not sent the permission slip back already, can you please do so this week? Year 6 will be visiting Northlakes HS on Friday 14th August (Week 5) and Year 5 will be visiting Northlakes HS on Friday 21st August (Week 6). There is no cost for this excursion.

The Music Bus
The Music Bus will be visiting our school on Friday 7th August. All students will have a preview of the bus and what it can provide. Parents will also be offered the opportunity to view the bus. Children will be able to receive lessons before or after school in guitar should parents wish to accept this offer. Interest in other instruments or singing will be determined at a later date. A full information sheet will be sent after 7th August. Please be aware that the Music Bus is an independent company and their activities are entirely separate from the school.

Parent Info session – 8:30am- 9:00am - parents can visit the bus, meet the teacher and ask questions

The students will be given an Expression of Interest form to take part in the weekly lessons. This will need to be returned to the school within 7 days of issue.

Swimming Scheme Years 2-4
A note will be coming out today to students in Years 2, 3 and 4 + Year 5 and 6 students who require further swimming lessons for the School Swimming scheme which caters for students needing to learn to swim or improve their swimming skills. There is a big focus on water safety and stroke correction for those students who already can swim 25m with the correct stroke. Parents are advised to return the notes early as the school is given a limited number of places and they will be allocated on a first back basis.

The scheme is a great opportunity for students to learn or improve on their swimming skills for an extremely low fee. The swimming tuition is free so the only cost is for pool entry and bus transport. Students receive daily lessons for 2 weeks at a very reasonable price so I would encourage all parents to return the notes and money ASAP so your child does not miss out.

Earn and Learn
This promotion is well underway so keep collecting! Ask your friends to collect for you if they can. Every $10 earns you a sticker and there are great resources which we can choose from at the end of the campaign. Look for the in store collection bin with our school logo on it or pop into the Office at school to place your sticker cards.

State Cross Country Carnival
Earlier this term, one of Budgewoi’s students represented the Sydney North Area at the State Cross Country Carnival at Eastern Creek. Cameron M competed in the AWD section for the 10 year boys. He ran extremely well placing 3rd overall and received a bronze medal for his efforts. Well done Cameron and congratulations on a fantastic effort.

Class Item- S2A

This term S2A have been learning how to write descriptions. Here are some of our descriptions for National Tree Day:

Paige: Trees come in different colours and change in different seasons. In Autumn their leaves can turn a range of colours such as red, brown, and orange. When they are different colours, the trees really stand out and are really colourful. Trees are normally green and brown.

Rowan: Trees can be found all over the world. They can be found in jungles, swamps and forest. They are found everywhere but

Antarctica. Trees are found in all kinds of places like cities and towns.

Tayla: Although trees look like they don't do much, they help our community in many ways. They are beautiful to look at because they are lovely and pretty. They provide homes for and shelters for lots of animals. Trees also give us oxygen because if we didn't have trees we wouldn't be able to live.

School Banking

Please complete the details of your deposit slip and the stub in you deposit book when banking.

Term three bring 2 new prizes to school banking. You are now able to order the Glow in the Dark Solar System or the Cosmic Light Beam Torch. There are still limited supplies of term 1 and 2 prizes as well.

Lost Property

Items of lost clothing are once again mounting in the Office area. Please label all your child’s clothing so we can efficiently return items. Likewise please ensure your child has the correct clothing when they return from school each day.

Book Club

Book Club Issue 5 will close on Wednesday 29th July 2015. All cheques should be made out to Budgewoi P&C. No late orders accepted.

Canteen News

Unfortunately we will no longer be able to heat any food from home including cheese & bacon rolls.

ALL Children MUST order lunch in the mornings as no hot food is available at lunch time, please remind your child of this. We have had a large amount of children trying to buy hot food at lunch and not ordering.

The new sports shirt has arrived and it looks great. The old sports uniform can still be worn and is still uniform. The new shirts are $25 each.
